

INVESTIGATE THE GREAT OUTDOORS

CONSERVATION HONORS *SUMMER* PROGRAM *2004*

FORESTRY
FISHERIES

WILDLIFE
RECREATION

CONSERVATION HONORS PROGRAM *June 13-18, 2004*

Hands-on training in natural resource conservation for Missouri high school students.

- Work alongside University and Conservation staff investigating fish, forests and wildlife.
- Experience a variety of conservation practices and instruction.
- Participate in field trips and outdoor recreation.
- Float and camp out on one of Missouri's most scenic rivers.
- Earn college credit.
- Stay on the MU campus.
- No charges or fees for this program.

STUDENTS

Thirty-two high school juniors are selected based on scholastic achievement and interest in conservation. Applicants must be Missouri residents who are currently juniors in high school and have taken the PLAN, SAT, ACT or preliminary versions of college exams that are nationally normed. Test scores are needed in April to accompany the application.

BENEFITS

- College credit
- Scholarship access
- Resume qualifications
- Technical skills
- Explore career opportunities

TRAINING

- Nature interpretation
- Forest measurements
- Wildlife sampling
- Outdoor skills
- Public speaking

☐ Student Participant

☐ Teacher / Chaperon

Send this form to: Director
The School of Natural Resources
103 Anheuser-Busch Natural Resources Bldg.
University of Missouri-Columbia
Columbia, MO 65211-7220

TEACHER OPPORTUNITIES

- Serve as chaperons and participants.
- Work with motivated, top-notch students.
- Learn the latest conservation techniques.
- Receive up to two hours graduate credit **free**.

Teachers are vital to this program!

Please complete and return the attached form for additional information on course credit and responsibilities.

Teachers are also asked to encourage qualified students to apply.

TO APPLY

Request an application from your principal
or counselor, or complete and return the form on this
brochure to have an application mailed directly to you.

Complete the application,

including a 500- to 1,000-word essay expressing your interest in the conservation of Missouri's renewable natural resources.

Submit all materials to your school counselor

by **April 4, 2004**, so they can send your application and your college entrance exam scores to the University of Missouri-Columbia by **April 18, 2004**.
